## May Day 2011

***St Joseph Patron of our beloved Anse Royale Parish***

*A carpenter, a humble man, loving husband and a father. Without question, he needed God in his dreams to save his family. He respected God and followed his commands. He was also compassionate and caring. He died before Jesus' public life with Mary and Jesus close by, the way we all would like to leave the earth.*

***He is the patron of the universal church, carpenters and fathers.***

Dear Readers

## Happy Labour Day to you all

Today, as we celebrate this most auspicious occasion for all the hard working people and caring fathers of our world, let us reflect on the 35 years of our Independence; the road we have travelled, whereby being better able to cherish our various accomplishments.

In so doing, let us also continue to undertake a comprehensive analysis of ourselves, our being, so as to work much harder towards the complete eradication of our many well known short comings and deficiencies for the further enhancement of our **sustainable growth process**, for the benefit of all.

Thus let us pray that St Joseph who is the patron of the **universal church, fathers, carpenters**, and not the least **social justice** continue to watch over us, protect us and guide us as he did with his adopted son Jesus.

Faithfully yours
