“Turning Possibilities into Realities”

2011 “WINNING FOR SEYCHELLES”

International Children's Day

Thoughts...

“Parenting is a balancing act. And finding the right strategy to raise children to be happy, healthy and secure adults takes practice, patience and perseverance. Yet helping children identify golden opportunities and showing them to make the right choices are among life’s greatest rewards”.

Every child is an Artist. The problem is how to remain an Artist once we grow up.

ENHANCEMENT OF SOCIAL, MORAL AND SPIRITUAL VALUES...

Too beautiful and true not to share.

Sometimes the road of life may seem a bit bumpy; but it's just a small part of the great journey you're on!

- Anger is a condition in which the tongue works faster than the mind.
- You can't change the past, but you can ruin the present by worrying over the future!

Life is a succession of lessons which must be lived to be understood.

- Love...and you shall be loved.
- God always gives His best to those who leave the choice with Him.
- All people smile in the same language.

If you don't like something change it, if you can't change it, change the way you think about it.

- Everyone needs to be loved... especially when they do not deserve it.
- The real measure of a man's wealth is what he has invested in eternity.

To plant a garden is to believe in tomorrow.

- Laughter is God's sunshine.
- Everyone has beauty but not everyone sees it.
- It's important for parents to live the same things they teach.

People are lonely because they build walls instead of bridges.

- Thank GOD for what you have, TRUST GOD for what you need.
- If you fill your heart with regrets of yesterday and the worries of tomorrow, you have no today to be thankful for.
- Man looks at outward appearance but the Lord looks within.

Sometimes the littlest things in life can make your whole world change.

- The choice you make today will usually affect tomorrow.
- Take time to laugh, for it is the music of the soul.

Happiness is a choice that requires effort at times.

- Patience is the ability to idle your motor when you feel like stripping your gears.
- Love is strengthened by working through conflicts together.

The most beautiful things in the world must be seen from the heart.

- Harsh words break no bones but they do break hearts.
- To get out of a difficulty, one usually must go through it.
- We take for granted the things that we should be giving thanks for.

Believe in love life and yourself.

- Love is the only thing that can be divided without being diminished.LOVE STARTS WITH GOD'S LOVE ... because GOD FIRST LOVE'S US...
- Happiness is enhanced by others but does not depend upon others.
- For every minute you are angry with someone, you lose 60 seconds of happiness that you can never get back. **SO PLEASE NEVER GET ANGRY BE HAPPY AND ENJOY LIFE.**

Cast the gift of a lovely thought into the heart of a friend.

- Do what you can, for who you can, with what you have, and where you are.

May you hear God's voice in your heart, know his touch in your life, and feel his love each day.
